

Supplier Check report

OOO "Sample Seafood Trading" (fictional company)

Request RPT-0928-SAMP. Date of check: 28 September 2026. Package: Supplier Check. Prepared for: Sample Importer Inc., Philippines.

1. Summary and key signals

Overall picture	An active company registered in 2019 with filed financial statements and a stable history. Two past court cases with buyers need clarification before an advance payment.
Positive signals	Active status, no liquidation or reorganisation. Statements filed for 2023 to 2025. No bankruptcy notices. No match in the US, EU or UK sanctions lists on the date of the check.
Points to clarify	Two arbitration cases as defendant about late delivery (2024). The registered activity is wholesale trade, not production, so the company is likely a trader rather than the manufacturer.
Limitations	Enforcement database returned a temporary error on the date of the check. Result marked as not verified.

2. Company identification

Full name	OOO "Sample Seafood Trading" (fictional)
INN / OGRN	0000000000 / 00000000000000 (sample values)
Status	Active
Registered	14 March 2019, Primorsky Krai
Main registered activity	Wholesale trade of fish and seafood

3. Activity and size

The company presents itself on its website as a supplier of frozen fish. The registered activity is wholesale trade. The website does not mention own production facilities.

4. Financial statements

Year	Revenue, RUB million	Net profit, RUB million
2023	31.4	1.2
2024	42.9	2.0
2025	48.2	1.7

Figures are fictional and shown only to illustrate the format.

5. Court, bankruptcy and enforcement records

Arbitration cases	2 cases as defendant in 2024, both claims from buyers about late delivery. Both closed by settlement.
Bankruptcy	No notices found.
Enforcement proceedings	Not verified: the database was unavailable on the date of the check.

6. Public procurement

No contracts found in the public procurement system.

7. Sanctions list screening

US, OFAC	No match for the company name or identifiers on 28 September 2026.
European Union	No match on 28 September 2026.
United Kingdom	No match on 28 September 2026.

A search of public lists on the date of the check. Not a legal determination of sanctions compliance.

8. Comparison with the supplier's information

The supplier described itself as a manufacturer with its own processing plant. Public records show a trading company. Ask for the name and documents of the producing plant.

9. Questions to ask before payment

1. Who produces the goods, and can you provide the plant's certificates and export registration?
2. What happened in the two 2024 delivery disputes, and how were they settled?
3. Can the first shipment be paid by letter of credit or with a smaller advance?
4. Is the bank account in the contract registered to this same company?
